ABOUT ME

I'm a BS Information Technology student with a strong interest in both Flutter development and cybersecurity. I've also learned web technologies like HTML, CSS, JavaScript, and SQL, and I enjoy creating beginner-level mobile apps using Flutter. I'm always curious to learn more and build new things, and I'm looking for an opportunity where I can grow my skills, gain hands-on experience, and contribute to meaningful tech projects—especially in mobile development.

EDUCATION

2022 - 2026
University of Gujrat

BS Information Technology
Bs 6th Semester (Continue)
